We are at that time of year when St. Paul's parishioners share some joy with the residents of the Women's Resource Center. A time when we help someone less fortunate by donating personal items + children's toys to the Resources 'Santa's Workshop' When a woman and her children are fleeing an abused home and arrive at the Women's Resource Shelter for help; these families often flee quickly and take very little with them. The Shelters makes sure that the woman and her children are safe.

The Women's Resources annual "Santa's Workshop" is a time when mothers choose Christmas gifts for their children and the children are able to choose gifts for their moms. Personal item are needed, children's toys etc. are welcomed.

From November 19th to December 12th there will be a box placed at the back of the Church and another in the church hall for your donations.

Thank you for caring! Betty
