**Christmas Dinner 2017** - St. Paul's annual Christmas Dinner was again another success in a long line of successful Christmas Dinners. Success in these dinners is marked by the number of guests and volunteers we serve and this year, as in several past years, have seen us serving out the door some 200 meals. Last year we were approached by Community Care to assist their Meals on Wheels program by providing 15 hot Christmas Dinners to their clients. Because of the success of this addition to our program we were again approached and this year sent out 28 meals. This is a great addition to our outreach of this Dinner event.

Such success does not come without the generous support of; the members of this parish who donate of their time, talent and treasure; our own Happy Cooks group who are instrumental in preparing the food; Edna Smith our intrepid Chef who oversees all the food preparation; and the 45 plus volunteers who come from all over the community to help with the food service and provide helpful care and support to those who need it.

To all those who were involved, Thank You.
