The Tower of Tins Food Drive was a phenomenal success. !!!!!!!

This year, Reverend Bonnie established a target of 450 (last year's total) tins of protein and/or veg to be donated to the Tower. Extremely happy to report that through the collective generosity of the St. Paul's community, Kawartha Lakes Food Source received 600 items of food to support their 15+ community groups across the region !!! A special thanks also goes out to Lindsay Tai Chi for their contributions. As an *FYI*, this is separate from the donations of fresh produce for our Harvest Thanksgiving service. Those donations will be delivered separately.

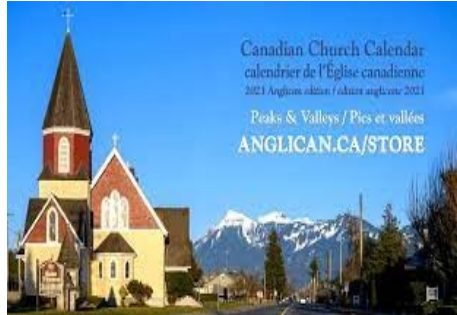

Your continued generosity as always is greatly appreciated
