### **PAG: Pre Authorizes Giving.**

This is an easy way for you to donate to St. Paul's. It provides a constant and dependable cash flow throw-out the year. This allows better budgeting and ongoing cash flow for management. PAG registration forms are available at the Church Office or in the Pews of the Church.

**Outreach Committee:** The Advisory board asked Gail Payne to have this notice in Our This and That newsletter. Your Outreach Committee is planning to place an outdoor food cupboard in the quadrangle for the use of those hungry between visits to the food bank. We envision a weather proof installation , maybe with insulation, for non-perishable foods such as pasta, flour, crackers , dry cereal, etc. It will have a secure latch to keep out any too friendly racoons. Please let the office know if you know of such a structure or how to build one. We are looking for suggestions . Thank you for your ideas.

On April 1st a group of Parishioners got together to make Palm Crosses under the expert guidance Marg Brohm and Don Chase who are our parish experts., I am told . Approximately 10 people gathered round and we all received instruction on how to make the Palm Crosses.

Greening St. Paul's

Peter Payne has been volunteered to examine the various options for greening the buildings. He is looking for other people interested in greening or reducing the energy consumption. Please speak to Peter if you have ideas or thoughts on the topic. He needs Help.

**DESIGNATED GIVING# 215 for April is in support of Faith Works, a program that lets us express our Christian kindness and compassion for the most vulnerable in our midst.**
