The Greening Of St. Paul's . Peter Payne has volunteered to examine various options for greening the buildings. He is looking for other people interested in greening or reducing energy consumption. Please speak with Peter if you have ideas or thoughts on this topic. He needs Help.

We have a new evergreen in the Quadrangle . The tree was donated by Larry and Linda Todd along with Sandy and Ray Marshall. This means we will have a smaller tree to decorate at Christmas time and won't have to worry about installing or removing it after the Christmas season. This also demonstrates our care for Creation in not cutting down trees annually. A Big Thank you to all involved.

We thank Ursula for putting herself forward to stand as Warden and for her ongoing commitment to St. Paul's
