Warden's Meeting via Zoom

Behind the Scenes Work — our Church Treasurer Tom Ross

While our church doors may be closed for the time being, the finances of church don't stop. I continue to produce monthly income and expense reports for the wardens, Warren and the Finance Committee chairman while reviewing our income, expenses, investments and bank balance to try to stay on-budget. Various yearly reports need to be provided to both the Diocese and the CRA regardless of church activities. The Diocese and Federal Government have responded to the corona virus pandemic by offering various financial support programs to churches and employers and I am working with them to ensure that St. Paul's is considered for every eligible subsidy. I've also been supporting our auditor by providing any information that she requests, as our 2019 audit is still not completed.

In my spare time I've been "learning" amateur hairstyling - notice the "COVID cut" I'm now sporting!
Thanks you Tom for all that you are doing.

No matter how much you push the envelope,
it'll still be stationery.
