Pre-Authorized Remittance (PAR) It may sound like a mouthful, it is simply a form of giving to the Church. A monthly amount is automatically deducted from your bank account or your VISA/credit card to support your church.

This program enables you to give your offering intentionally, proportionally and faithfully all year long through an automatic monthly withdrawal. You may already be doing this for your monthly bills, and PAR works the same way to support our church. You control how much you are giving and where it goes.

Forms are available from our church website or by contacting the church office 705 324-4666 or email office@st-pauls-lindsay.ca and we will mail the form to you.

Thank you to everyone who have been supporting the church.

TEACHER: Give me a sentence using the words
Defense, Defeat and Detail.

defeat goes before detail.

Behind the Scenes

Did you know—

In 1913, King Albert Public School was opened with a two storey building boasting 4 large classrooms.

During World War One, the school name was changed from South Ward School to King Albert Public school after the King of Belgium. King Albert displayed great bravery as he lead his army of soldiers during the war, and continued throughout his life to rebuild his country after it was badly damaged by enemy bombs.

He was a great example of loyalty and hard work, a perfect person to name our school after.

December 2021—St. Paul's Sisterhood busy putting together the donation of women's and children's personal care packages and small activity bags for the children for Women's Resources.

The gifts were truly appreciated.

Stocking up—The kitchen team were busy again this week preparing turkey stock.

They also are preparing for the return of the King Albert School Lunch program next week.
