**WITH THE SOUND OF MUSIC**

After 25 years of use our sound equipment has played its last note and now prevents us from live streaming our services.

We need your help to raise the funds to return to a live streamed service by Easter.

With your help, we can raise the **\$10,000.00** we need by Easter. Please donate by cheque, cash, or via our donate button on the website.

***Be a part of sharing our services with those who are not able to attend and join in the improvement of our sound system in our church.***

**Please Note—Diocese Mask Guideline**

Although the Province of Ontario will be lifting mask mandates in most settings on March 21, churches in the Diocese are still asked to follow the Spring Guidelines for the time being. We will be re-evaluating our guidelines in light of the government's decision and will communicate to you about them as soon as we're able.

## Canon Greg Physick had to say about *The Light Keeper*:

Dora's story of love and faith plays out over many years and is written with sensitivity and realism. Her life is one that holds wonder and a certain innocence tested over time. Her moments of simple prayer and leaps of faith feel real as does her journey of loss, sorrow and grief. The faith questions are present and honest as Dora moves through the many seasons of her life. I often speak of 'God moments', times when God whispers and the soul hears—one is moved and is often surprised. Dora knows such moments. Ms. Le Gresley's story of Dora will be appreciated by people of faith as well as others who question, doubt, and wonder.

Parishioner Kathy LeGresley,
