## It's back again, the Tower of Tins Food Drive! 303 items collected to date !!!

St. Paul's continues to hold the food drive for Kawartha Lakes Food Source. This year we are looking for tins of protein and vegetables which will ultimately end up in Thanksgiving hampers across the region. Last year we surpassed our goal and collected **over 450 tins!** I'm sure if everyone contributes as they are able, we can reach that again and then some.

**FYI**, this is separate from the donations of fresh produce for our Harvest Thanksgiving service. Those donations will be delivered separately.

**Assistance will be needed to pack up banana boxes with the donated items after the service this weekend. If you are able to help, please speak with Rev Bonnie.**

The St. Paul's Choir has resumed rehearsals Thursday evenings @ 7:00 pm for all that are interested.

**DESIGNATED GIVINGS # 215** for the month of October will be in support of ***Faith Works***. This is an outreach program of our diocese supporting partners like Lindsay's A Place Called Home; also people who are physically or mentally disadvantaged, at risk women and youth and struggling minorities. Here is a way to express our compassion and give hope to people living on the margins of our world

During the Season of Creation, let us pray for all who are affected by wildfires around the world. In Canada, we pray for those affected by and fighting fires in Newfoundland, Ontario, Manitoba, Saskatchewan, Alberta, British Columbia, the Yukon and the Northwest Territories. May God keep them safe and give them strength and help us all to sustain "this fragile earth, our island
