December 31, 2022 Report from John Gundy.

I am pleased to report that we had a very successful series of Christmas dinners this year. From 154 dinners delivered hot to King Albert School on Tuesday the 20th to 100 take out meals delivered from the church on the afternoon of Christmas day and finally to the 100 people served at the sit down dinner late Christmas day.

Not only was this year a financial success due in no small part to the generosity of the members of this parish, the generosity of the community and finally to the generosity of the people who attended the meals at the church. I want to thank all of you for your support.

This sort of events cannot take place without the support of many volunteers, too many to thank here but I want to specifically thank my wife Liz and Rick and Laurie Dancy who have all been faithful supporters not only with this years Christmas meals but throughout the year in making the School Lunch Program a reality.
