Congratulations to Paul Carpentier who is our newly elected Rectors Warden.

The Management team at St Paul's are requesting that all parishioner's with a food handlers certificate expiring in 2023 or 2024 make themselves known by email Doug Read at dougread7@gmail.com.

We are planning recertifications in September for those with expiring certificates. Please note we only need one certified person working in the kitchen when we have a function, the people assisting in the kitchen do not need a food handlers certificate

Strawberry Supper

Our strawberry Supper was a great success even though ticket sales were slow they picked up as the day got nearer. Everyone who came enjoyed the meal and stated what a great job we did.

A great big Thank you goes out to all the people that helped to make prepare the delicious food, sell tickets and help out generally, without you all this event would not have been possible .. Linda

Just a friendly reminder if you wish to book an area of the Church for a meeting you must contact the office to ensure space is available

Outreach Please see the list of items still required for our cupboard

Our Outreach Committee has determined that it would be helpful to some in our neighborhood to have a small source to top up necessary food supplies., when in need. Diane Stecher is building the cupboard to be put in place near the sidewalk in our quadrangle. The cost of the cupboard is very low as we have been able to secure many used , donated articles for the construction.

We will try to keep it stocked with non –perishable and personal hygiene items on a regular basis. We hope to receive some contribution of these items from our congregation , and hopefully , from those able in our surrounding community. We pray that God will guide us in providing this assistance in our area.

Our cupboard will be similar to this but with a peaked style roof, going the opposite way with an overhang at the front, and we will use plex glass in the doors. Below is an example of what a cupboard could look like.

This is a list of items we still need for construction of the Cupboard

4. sturdy metal stakes and hardware to use with 4 x 4 wood (Rona @ \$ 20.00 each),

Barrel bolt for the doors,

2. handles for the doors,

4. Hinges for the doors.

Rev Bonnie is kindly donating the paint or stain

We also need a name! We will be accepting submissions in the office until June 29th. The names will be read out at our July 2nd service and the name with the most applause will be the winner . Diane will make the sign and place it on the cupboard.
