A Mighty River
Amos 5: 24

Oct. 1: Guest Speaker: Anthony Siegrist of A Rocha Canada

We are pleased to welcome **Anthony Siegrist**, the Ontario Director for **A Rocha Canada**. According to A Rocha's website: Anthony has long been fascinated by the intertwined root systems of faith and ecology. He joined A Rocha after previously serving as a pastor, professor of theology, adventure guide, and farm hand. With his wife Sarah and their three young boys, Anthony enjoys exploring the green spaces and cultural history of the larger Great Lakes region. They love tromping through local forests with their hound named Rhubarb, as well as canoeing in Algonquin Park and hiking in the Adirondacks.

God Moments :

**Inspirational quotes shared by
Rev Bonnie**

"Jesus' whole message is to say that you are God's beloved child...When you can hear in your heart, not in your head, that you are truly God's beloved daughter, that you are truly God's beloved son, everything turns around."

DESIGNATED GIVING # 215 for September 2023 **Guest Speaker Anthony Siegrist on Oct. 1**

Is in support of **A Rocha**, a Christian Environmental organization focused on Creation Care. This means parishes like ours can benefit from the wisdom, experience and success of like-minded churches. Working as “stewards of creation” we can help mend the damage that would permanently destroy the atmosphere, oceans and inhabitants of “This fragile Earth our island home”. (BAS page 201)
