ANY SPARE TOOLS?

Now that the basement workshop is 90% organized, I'm looking for a few items to supplement our equipment. If anyone has a surplus of any of the following they are willing to donate to the church it would be appreciated: small air compressor, sawz-all, tape measures, 2'-3' level, electric hedge trimmer and an electric leaf blower.. If you have (or know of someone) a gently used chesterfield you wish to donate, the one in the library has to be replaced. Please speak with Paul Carpentier if you are able to help out on any of the above. Thank you.

The international White Ribbon Day is November 25th and people wear them until about December 6th. When you wear your white ribbon you are showing others that you pledge to not commit, condone or keep silent about gender-based violence. As Christians, this is not a pledge just for men but for all of us. Each of us has a role to take in making "thy kingdom come" a reality. Please join with Rev Bonnie and wear your white ribbon beginning on Nov 19th.

Donations For St Paul's Pantry.

Lately our supplies for the Pantry have been running very low. Please consider if you could add 1 item to your weekly groceries to donate to the pantry. If most of us were able to do this, the Pantry will stay well stocked throughout the Winter months. Thank you to those who have continued to drop off bags of groceries and pet food!
