Refreshment Time

A wonderful way for Parishioners to connect!
Thank you to all who provide refreshments every Sunday and support this important ministry.

The sign-up sheet is up on the board.

Baby Grand update

We hope that you are enjoying the sounds of this new to us piano.

The **old Heintzman** in the front entrance is still a good instrument and a great starter piano. **Free for the taking.**

Bass Strings: To bring the baby grand piano to it's best, the 110-year-old bass strings will be replaced. The strings are in. Installation will be at a later date. We are keeping the piano fund open if you are willing to help with this cost. This is normally a \$4 – \$5,000 job but because we have 2 inhouse piano techs, the cost will be around \$1,500.

Thank you! - Arlene

St. Paul's Pantry and Food Cupboard

Just a gentle reminder from your Outreach Committee that there is an ongoing shortage of food in our area, with so many low-income families. Please continue to support these families and our food cupboard through your generous donations of non-perishable food items. We frequently run very low on these much-needed supplies. We thank God for the abundance of His love in our lives. May He bless us all in this joyous Easter season.

Thank you! – Gail

Volunteers

On behalf of Rev. Bonnie and the Wardens, **Thank You** to all the volunteers who keep St. Paul's running smoothly and provide their time and talent to the many special events we hold throughout the year. We appreciate you sharing the load.
